

*The memories paintings come directly from what I've experienced  
and observed since childhood. I suppose you could say they're reflections of my life . . .  
and of the personalities I've known along the way.*

CHARLES L. PETERSON

Introducing a new Charles Peterson book featuring more than 70 paintings, including his most popular "memory images" of the past decade! In addition to a soft cover version (\$49), *Reflections* is also released in a hard cover, limited edition of 3,000 premium quality books (\$175) which include a miniature signed and numbered print, "Best Friends," not available separately.
