FRESH SNOW

"I delight in the life of kids; enjoyed it myself, loved it with our own children and yet again with our grandchildren. Kids regularly remind us all of the things that make life special, like a fine day with fresh snow to give everything a new look, somehow different and exciting.

"In revisiting the old schoolhouse our daughters attended thirty years ago, I was flooded with memories of those days. Not surprisingly, the girls and some of their special buddies made their way into the painting. But I'm quite sure you will find yourself there too, along with others you know . . . and maybe--hopefully--you will find a memory of how exciting it was to wake up in the morning to Fresh Snow."
