

FROM THE STUDIO OF
CHARLES L. PETERSON

“Not now Sweetie. Grandma’s going to have a big dinner for us. We want to keep your dress nice and clean so she can see how pretty you look.”

“You can see, she’s down about half a quart so you’re OK for now, but we’ll want to keep an eye on it.”

“Pop, me and Dick were talkin’ about going fishing later on.

Wanna meet us down at the river after work?”
