"Neighbors"

A B A R N R A I S I N G

I'll never forget watching all the neighbors come down the drive that morning.

Some were good friends and some we barely knew at all --

but there they came anyway, carrying tools and bringing food to share.

"That's what neighbors are for", they said.

Well, we built a barn, ate a small feast, and danced Mom right off her feet --

all in one day . . . in one great day.
