

# CHARLES L. PETERSON

## "YARD SALE"

Once again, Charles L. Peterson has captured an American tradition as only he can. It's a perfect day for a *Hey, what the ... isn't that the letter jacket from "One On One"?* And the manikin from *"Stitch In Time"*? Geez! And the old barber from *"First Haircut"*?

*This ain't no ordinary Yard Sale!*

Nope. The fact is, nearly everything (and everybody) in *"Yard Sale"* has appeared in a previous Memories painting -- more than 65 items in all. Here's a challenge for you serious collectors. When you're ready, your Authorized Dealer has the artist's list.
